Guide to Managing your Appointments

Rendez-vous Canada 2019 Appointment Guide

This guide will explain how Buyers, Sellers, Media, and Destination Canada delegates can make appointment requests for Rendez-vous Canada 2019.

You can access Appointment Requests via your MyRVC page.

We will show how to make requests as a Seller, but the steps will be nearly the same if you are a Buyer. Differences will be noted where applicable.

NOTE: You must be registered as an appointment-taking delegate to make requests. If you are unclear of your status, please contact the RVC project team.

Submit your request:

The first time you make manual appointment requests, you may notice that delegates are sorted into different categories according to your appointment status with them. These categories include:

- **Available:** you do not have an appointment requested or scheduled with this delegate. **Delegates in this category are the only ones available for a manual appointment request.**
- **Requested By Me:** you have already submitted a request to meet with this delegate, and the request is pending. This request must be approved or declined by the listed delegate.
- **Scheduled:** you already have an appointment scheduled with this delegate.
- **Scheduled Appointment with Colleague:** another delegate from your company has an appointment with this delegate.

To request an appointment with an available delegate, you can either click on the delegate name to select it, or you can hold down the “Ctrl” key and select multiple delegates. You can also click on the “Select All” button to highlight all of the available delegates.

- **To Decline the request:** click "Decline".

Changing Your Schedule

From your Appointments Schedule, you can make three types of changes: Request Cancellation, Request Change, and Block/Open Appointment Slots.

- 1 Request Cancellation:** this will send a cancellation request to the selected delegate. To request an appointment cancellation with a delegate, you can either click on the delegate name to select it, or you can hold down the 'Ctrl' key and select multiple appointments. Then, click "Request Cancellation". In the pop-up, explain the reason for the cancellation and click "Request Cancellation". Please check back regularly to see if your request has been accepted. The appointment will automatically be cancelled and removed from the schedule of both parties if no action is taken within 24 hours.
- 2 Request Change:** to move an appointment to a different timeslot, select the applicable appointment and click "Request Change". If there are any other mutually available appointment times in your schedules, they will be displayed. Select the new timeslot, add a message, and click "Request Change". If the delegate accepts the change, your schedule will be automatically updated.

Block/Unblock Appointment Slots: All delegates with a full appointment schedule are automatically assigned a morning and afternoon break each day. Sellers can cancel this break and request additional appointments by selecting the blocked timeslot and clicking “Unblock”.

- 3 Sellers can also choose to block open appointment slots by selecting the open timeslot and clicking “Block”.
- 4

Note: Buyers must receive approval from their Destination Canada representative in order to block an appointment slot.

Compose:

The “Compose” pop-up is where you can find a delegate by company name, delegate name, or registration type. The message ‘Search’ functions the same as the appointment ‘Search’.

The screenshot shows the 'Compose' interface with the following sections:

- Search For Recipients:** Includes input fields for First Name, Last Name, Title, and Company Name. Below these are radio buttons for 'Begins' and 'Contains' for each field. There is also a 'First Time' checkbox and a 'Registration Type' section with checkboxes for Seller, Buyer, Tourism Partner Pavilion, DC, and Media. A 'Search' button and a 'Reset' button are located at the bottom right of this section.
- Recipients' Search Results:** A table with columns: Company, Delegate, and Registration Type. The table lists several companies, with '1st Class Holidays' and 'A2Z Travel' having 'Brian' as the delegate. Below the table are buttons for 'Select All', 'Deselect All', 'View Profile(s)', 'Add Recipients', and 'Remove Delegate(s)'.
- Write Your Message:** A section with 'To:', 'Subject', and 'Message' fields. The 'To:' field contains 'Brian'. The 'Subject' field contains 'Hi'. The 'Message' field contains 'Hi'. A 'Send' button is at the bottom right.

Click “Search” to see a list of all delegates.

To send a message to a delegate, you can either click on the delegate name to select it, or you can hold down the ‘Ctrl’ key and select multiple delegates. You can also click on the “Select All” button to highlight all of the available delegates.

- Click on “Add Recipient(s)” to add the selected delegates to the ‘To’ field, then compose your message and click “Send”.
